Cycling Without Age Chichester

Helping Chichester residents get safely back outdoors for some fresh air and a change of scenery, Cycling Without Age offers trishaw cycle rides around the local area, piloted by local volunteers.

Do you fancy some fresh air?

Do you often find yourself stuck indoors with trouble getting out as much as you would like? We are here to help! We are a non-profit organisation offering low-cost trishaw rides around town or along Centurion Way to help you get a bit of fresh air and have a nosey around!

To book your ride, please call 07821 810552 or visit:

How does it work?

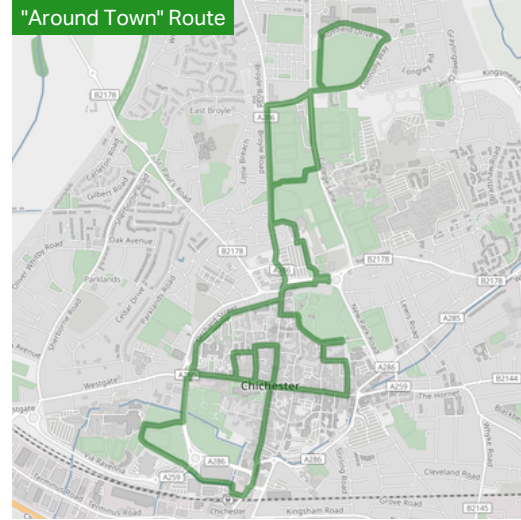

Treat your family or friends! From £5 pp!

We pick you up from your front door on our amazing trishaw (complete with hood and blanket!). You can choose whether to go on our "Around Town" or "Centurion Way" routes. Rides are slow, allow for short stops and usually take around an hour.

Safety is paramount (there are seatbelts!) and we adhere to all COVID PHE guidelines.

All rides are offered on a "Pay What You Want" basis, with a guide price of £5 per person. We are a small non-profit organisation - all funds help us to grow to offer our services to more people in future. **Book your ride now!**

Can you help?

We rely on donations, grants, sponsorship and volunteers to offer this service to the Chichester community.
